

SUN COUNTRY AIRLINES AND LANDLINE LAUNCH NEW SERVICE CONNECTING EAU CLAIRE TO MSP

Customers can book seamless connecting itineraries to Sun Country destinations via MSP

MINNEAPOLIS, MINN., February 2, 2023 – Sun Country Airlines (NASDAQ: SNCY) is now offering customers in the Eau Claire area more options to connect to their favorite destinations. Starting March 2nd, the airline is expanding its partnership with Landline to launch service between Chippewa Valley Regional Airport (EAU) and Minneapolis/St. Paul International Airport (MSP), offering convenient connections to anywhere Sun Country flies. Landline service is being provided in addition to Sun Country flights connecting EAU and MSP four times per week.

Landline provides guests one-stop access to multiple Sun Country destinations via MSP. Landline vehicles feature a premium interior with free wi-fi, and leather seats. Customers connecting to Sun Country flights via Landline can enjoy a hassle-free experience that includes the ability to check bags in Eau Claire.

Landline connections are available to customers just like any other connecting flight. Simply visit www.suncountry.com and book a trip starting or ending at Chippewa Valley Regional Airport (EAU). Service aboard Landline costs \$10 one way, or \$20 round trip. Service from EAU begins March 2nd, 2023.

About Sun Country

Sun Country Airlines is a new breed of hybrid low-cost air carrier, whose mission is to connect guests to their favorite people and places, to create lifelong memories and transformative experiences. Sun Country dynamically deploys shared resources across our synergistic scheduled service, charter, and cargo businesses. Based in Minnesota, we focus on serving leisure and visiting friends and relatives (“VFR”) passengers and charter customers and providing CMI service to Amazon, with flights throughout the United States and to destinations in Mexico, Central America, Canada, and the Caribbean.

About Landline

The biggest airlines in the world trust Landline to power their first and last mile connectivity. Landline’s industry first platform allows airlines to leverage the seamlessness and affordability of ground transportation to add dynamic new routes to their network without sacrificing on quality or customer experience. Today, Landline operates seamless multi-modal networks on behalf of American, United and Sun Country Airlines. Landline is backed by top tier venture and travel investors and is fundamentally reshaping the way every consumer thinks about the travel day by making air travel door to door and multi modal.
