**MORE SUN, MORE FUN: SUN COUNTRY'S NONSTOP FLIGHTS TO
CONTINUE FROM CHIPPEWA VALLEY REGIONAL AIRPORT!**

Nonstop service to Fort Myers, Florida will be offered seasonally beginning January 30, 2026

Eau Claire, Wisconsin: Chippewa Valley Regional Airport (EAU) is pleased to announce the continuation of Sun Country Airlines' nonstop seasonal service to Southwest Florida International Airport (RSW) in Fort Myers, Florida. This extension provides travelers in the region with a convenient, nonstop connection to one of Florida's most popular winter and spring destinations.

"We're thrilled Sun Country will continue offering this valuable nonstop service to Fort Myers," said Charity Zich, Airport Director at Chippewa Valley Regional Airport. "This is truly a community success story—made possible by the ongoing support of our passengers, local businesses, and regional partners who recognize the importance of maintaining and growing air service options in our region."

The nonstop flights will continue to operate seasonally, providing a convenient travel option for those seeking a warm-weather getaway. Flights are scheduled to operate on Mondays and Fridays from January 30, 2026, through April 6, 2026. Tickets are on sale now and travelers interested in making reservations can visit www.suncountry.com or call Sun Country reservations directly at (651) 905-2737.

This seasonal service to Fort Myers complements the airport's daily flights to Chicago O'Hare International Airport (ORD), operated by United Express, which offers convenient connections to destinations around the world. Travelers can find more information about both airlines and available flights by visiting the airport website and selecting the [Flight Information](#) tab at www.chippewavalleyairport.com.

About the Chippewa Valley Regional Airport – The Chippewa Valley Regional Airport is an FAA certified commercial service airport located in Eau Claire, WI. Businesses at the airport offer commercial service flights, on-demand charter flights, emergency medical transportation, flight instruction, aircraft rental, aircraft maintenance, car rentals, and a top rated full-service restaurant.
